I have copied these folks to let them know about your plans.

For your trip I recommend:

<http://www.sadieshotels.com/sadiesbythesea.html> (not  
Sadie Thompsons Inn)

It is a newly re-modeled hotel, on the beach, very convenient for  
your  
work.

Tips: You must have a passport that will not expire during your  
stay.  
Hawaiian Air will not let you on the plane without your passport.  
Bring  
a hat and sun-block.

If you have any other questions, please let me know.

-Carl

Monitoring fishwaste in Am Samoa

Hi, Allan and Carl

My itinerary to install and calibrate the monitoring equipment on  
the  
Blue Moon is:

Sunday Sept 21st arrive in PPG 9:30 pm  
Thursday Sept 25th depart PPG 11:20 am

I'm not sure who the contacts will be in Am Samoa, so I need your  
help.

Could you please let them know when and why I'll be there?

I also need help with contacts for a place to stay. Would you or  
they  
have that information?

Thank you
